

Families Invited to Cantigny Greenhouse on May 5

Complimentary annual open house includes tours, demonstrations and kids' activities

WHEATON, IL, April 24, 2013 — The Horticulture Department at Cantigny Park will host an open house on Sunday, May 5, from 10 am to 3 pm. The event offers garden enthusiasts a rare opportunity to go inside the Cantigny greenhouse where more than 1,000 varieties of flowers are propagated annually.

The 18,000-square-foot greenhouse supplies the plants displayed throughout the Cantigny gardens and golf course as well as interior spaces around the park.

The open house offers something for all ages and interest levels. Self-guided tours will be available along with demonstrations, a “green activity” for kids, and exhibits by local organizations that promote environmental conservation and education.

Open house admission is free, and so is parking. **Please note: Visitors should enter Cantigny Park through the main entrance on Winfield Road, not at Shaffner Road. Complimentary trams will be running from the main parking lot to the greenhouse.**
