CANTIGNY'S MCCORMICK HOUSE NAMES "COMMUNITY TREES" WINNER

*Seven participating nonprofits will receive grant funding from the
Robert R. McCormick Foundation*

Wheaton, Ill., January 9, 2018 — The [Robert R. McCormick House at Cantigny Park](#) today announced that the Christmas tree decorated by **Naperville Responds for Veterans** and displayed at the museum received the most votes in public balloting. By winning the popular vote, the organization earns an additional \$2,500 grant from the Robert R. McCormick Foundation for a total of \$5,000. Six other participating local charities each receive \$2,500.

[Naperville Responds for Veterans](#), founded in 2009, assists military veterans who are in need with home repairs, renovations and construction. The organization receives contributions of money, building materials and professional labor, and coordinates the process of repairing, building and donating homes.

"Community Trees" is an annual holiday attraction to celebrate Cantigny's connections with the community and honor Colonel McCormick's philanthropic legacy. Seven local charities were invited to participate because their missions involve issues or causes that were meaningful to Cantigny's benefactor.

Museum visitors during the holiday season were encouraged to vote for their favorite tree and, if they wished, donate to one or more of the agencies. Cash contributions by visitors totaled \$1,100, all of which goes to the participating charities. More than 2,000 votes were cast.

This was the eighth year for the Community Trees program. Participating organizations, in addition to Naperville Responds for Veterans, were:

- [360 Youth Services](#), Naperville – provides life-changing services to youth through substance abuse education, counseling and housing.
- [Child's Voice](#), Wood Dale – empowers children with hearing loss to be successful in all educational and social settings by optimizing their listening, speaking and academic skills.
